Vocabulary

Materials:

Books, pictures and props representing the words on the translator

Commonly found pre-K and K standards:

Independent literacy exploration

Word analysis

Activity:

Create a guessing game, focusing on words needed for current themes or projects in your class.

Have children take turns guessing the translated word - sometimes in English and sometimes in Spanish.

Then arrange a hunt for examples of the translated words within the classroom. For example if you are using the fruit words – they could spot examples of the fruits in puzzles, posters, books, lunch or snack time, or in the kitchen area.
